# Comprehensive Approach To Squamous Cell Carcinoma Of The Head And Neck: From Biology To Clinic

**II Edizione**

**Hotel Royal Continental  
Napoli**

**29 giugno**  
9.00-17.30

**30 giugno**  
9.00-13.00

**Responsabile  
Scientifico**

Dott. Francesco Perri

Obiettivo formativo: Documentazione clinica. Percorsi clinico-assistenziali diagnostici e riabilitativi, profili di assistenza - profili di cura [3] | Destinatari: Medico Chirurgo (tutte le specializzazioni), Biologo, Farmacista, Infermiere

## Day one – 29 giugno

9.00 – Greet of the Authorities – *Direttore Generale, Direttore Scientifico, Direttore Sanitario, Direttore Amministrativo*

9.20 – Presentation of the meeting and objectives – *F. Perri, M. Caraglia*

**First Session: Early diagnosis/therapy and updates on Surgery in SCCHN (squamous cell carcinoma of the head and neck): could we do better? | Chairmen: F. Ionna, F. Buonaguro, F. Longo**

9.30 – Potentially malignant lesions of the head and neck district: diagnosis and therapy – *A. Guida*

9.50 – Surgery role: importance of site and setting of disease – *E. Pavone*

10.10 – HPV related SCCHN: what has changed for the surgeon? – *F. Ricciardiello*

10.30 – Discussion | *Chairmen: F. Ionna, F. Buonaguro, F. Longo*

10.50 – **Coffee Break**

**Second Session: Updates in non-Surgical Treatments of SCCHN | Chairmen: S. Pepe, M. Merlano, G. Salzano**

11.10 – New insights in pathological/genetic classification of SCCHN – *M. Montella*

11.40 – Radiation Therapy: its role in locally ad-

vanced setting – *C. Casà*

12.00 – Systemic therapies in locally advanced SCCHN: has something changed? – *A. Botticelli*

12.20 – The evolving landscape of systemic therapy in recurrent/metastatic disease – *Lectio Magistralis: P. Bossi*

12.50 – Discussion | *Chairmen: S. Pepe, M. Merlano, G. Salzano*

13.30 – **Light Lunch**

**Third Session: Important matters to face before any treatment planning | Chairmen: F. Perri, R. Addeo, V. Turrà**

15.00 – Nutritional approach: not only supportive role – *V. Zurlo*

15.20 – Neurologic Toxicities: a hard enemy to face – *F. Saccà*

15.40 – How infectious agents may impact on therapy strategies – *A.R. Buonomo*

16.10 – Pharmacy matters: we cannot employ everything we wish – *P. Maiolino*

16.30 – Pain management: an underestimated problem – *M. Cascella*

16.50 – Discussion | *Chairmen: F. Perri, R. Addeo, V. Turrà*

17.30 – Conclusions

## Day two – 30 giugno

**First Session: translational insights in SCCHN management | Chairmen: M. Caraglia, A. Grimaldi, A. Ottaiano**

9.00 – Immunotherapy impact in the last decade: lessons learned and dashed wishes – *M. Fasano*

9.20 – Targeted therapy updates in SCCHN – *F. Sabbatino*

9.40 – SCCHN management: we should enlarge our point of view – *F. Perri*

10.00 – Translational research: past, present and future – *Lectio Magistralis: M. Merlano*

10.20 – Final lecture: Role of metabolism in cancer: translational insights – *P.S. Tagliaferri*

10.40 – Discussion | *Chairmen: M. Caraglia,*

*A. Grimaldi, A. Ottaiano*

11.10 – **Coffee break**

**Second Session: SCCHN management: Let's change our point of view | Chairmen: F. Perri, R. Addeo**

11.30 – Nurse's matters and their explanation – *G. Capasso*

11.50 – Clinical Trials Management: the Study Coordinator's figure – *M. Pontone*

12.05 – Our experience and active clinical trials – *M.L. Marciano*

12.20 – Discussion | *Chairmen: F. Perri, R. Addeo*

12.40 – End of Meeting and Conclusions

13.00 – **Test ECM**
