

Curriculum Vitae

Giuseppe Perrone, MD, Ph.D.

Anatomia Patologica, Policlinico Universitario Campus Bio-Medico
Via Alvaro del Portillo, 200 - 00128, Roma, Italy

Last update: 29/06/2020

PERSONAL DATA

First name: Giuseppe
Family name: Perrone
Date of birth: November 27, 1975
Place of birth: Bari, Italy
Nationality: Italian
Residence: Rome, Italy

EDUCATION

2006-2009 PhD Degree, “La Sapienza Università di Roma”
2001-2006 Anatomical Pathology Specialist Degree (50/50 and honours), “Università Campus Bio-Medico di Roma”, Rome, Italy.
2002 National Medical licensure.
1996-2001 Medical Doctor Degree (110/110 and honours), “Università Campus Bio-Medico di Roma”, Rome, Italy.
1991-1995 Secondary school: Convitto Nazionale “Domenico Cirillo”, Bari, Liceo Scientifico (mathematically orientated studies)

MEDICAL ACTIVITY

2019: Head of Predictive Molecular Diagnostic Lab. – Pathology Department Policlinico Univ. Campus Bio-Medico di Roma
2014: Coordinator of Molecular Diagnostic Laboratory – Pathology Department Policlinico Univ. Campus Bio-Medico di Roma
2010: Associate Pathologist, Pathology Department -“Policlinico Univ. Campus Bio-Medico di Roma”
2007-08: Pathologist consultant, Pathology Department -“Policlinico Univ. Campus Bio-Medico di Roma”

ACADEMIC APPOINTMENTS

2017-today Chief, Research Unit of Pathology, Campus Bio-Medico University of Rome
2015-today Associate Professor of Pathology, Medical School of Medicine, Campus Bio-Medico University of Rome
2013-today Professor at PhD program “Scienze Biomediche Integrate e Bioetica”, “Campus Bio-Medico di Roma University”
2010-today Professor in Pathology at Anatomic Pathology Residency Program, Pathology Department “Campus Bio-Medico di Roma University”
2010-2014 Assistant Professor, Pathology Department “Campus Bio-Medico di Roma University”
2009-2010: Post-doctoral researcher, Pathology Department of “Brigham and Women’s Hospital” – Harvard University, Boston MA, USA
1999: Research assistant at the “Department of Cell Transplantation at the University of Illinois at Chicago (Illinois, USA)”
1998: Research assistant at the “Thomas E. Starlz Transplantation Institute at the University of Pittsburgh Medical Centre” (Pensillvania, USA)

MAIN RESEARCH INTERESTS

Tissue biomarkers research characterization
Lung, Liver, Biliary and Pancreatic Pathology

SCIENTIFIC AWARD

2008 “Best Basic Science Abstract prize” for an abstract entitled “hENT-1 expression related to morphological histotypes and clinicopathological parameters in ampullary cancer” presented at the international meeting “Pancreas Cancer 2008 Congress” held in Rome on April 7-9, 2008.

RESEARCH PRODUCTION AND IMPACT

My research has produced 81 papers in peer review journals (18 as Principal Investigator, 14 as Corresponding Author);

Current biometric data are:

Number of citation (Scopus): 1385

H-Index (Scopus): 22

Overall Impact Factor (2016): >300

EDITORIAL ACTIVITY

Editorial Board membership for: International Journal of Clinical and Experimental Pathology
Archives of Hepatitis Research
Heighten - Journal of Pathology and Clinical Research
Current Updates in Surgical Oncology

Reviewer for: European Journal of Gastroenterology & Hepatology (ISSN 0954-691X)
International Seminars in Surgical Oncology (ISSN 1477-7800) 01/2005
British Journal of Cancer (ISSN 0007-0920) 01/2005
Gut (ISSN 0017-5749) 01/2008
Journal of Molecular Histology (ISSN 1567-2379) 01/2008
European Journal of Histochemistry (eISSN 2038-8306) 01/2010
Histology and Histopathology (ISSN 0213-3911) 01/2011
Human Pathology (ISSN 0046-8177) 01/2012

PATENT ACTIVITY

Italian Patent RM2012A000196 2012: Kras mutation analysis for preoperative pancreatic cancer.

I declare to be qualified by education and experience to assume responsibility for the proper conduct of trial and to have knowledge and to comply with the Good Clinical Practice (GCP). I authorize the treatment of my personal data according to the Italian Legislative Decree n. 196/2003 and UE679/2016.

Giuseppe Perrone
